

# Show That Number

NAME \_\_\_\_\_

In the "NUMBER" column, write the numerals your teacher tells you to in each square. In the "OBJECTS" column, draw the correct number of objects to match the number next to it.

| NUMBER | OBJECTS |
|--------|---------|
|        |         |
|        |         |
|        |         |
|        |         |
|        |         |
