

# Bagel Comparison

At Tyson's Bagel Market in Vienna, VA, the owners display a sign with the following information and equations:

Do you think our bagels are **too expensive**?

*Compare our prices with the calculation table below:*

	<b>OURS (TBM)</b>	<b>THEIRS</b>
<b>WEIGHT</b>	33–35 ounces	25–28 ounces
<b>PRICE</b>	\$0.69	$x$

Calculation:

$$33:25=0.69:x$$

$$33x=17.25$$

$$x=\frac{17.25}{33}$$

**\$0.52 = Their Price**
