

Questions for Writing About Kandinsky

Be sure your essay answers most of the following questions.

1. How did you plan your drawing?
2. What did you consider when choosing shapes to include in your drawing?
3. Did you include more quadrilaterals than any other shape? Why or why not?
4. How did the first shape you placed on your drawing suggest what should come next?
5. Describe the similarities between your drawing and Kandinsky's paintings. Which of Kandinsky's works most closely matches yours?

6. What is the favorite part of your drawing and why?
7. Describe how you used symmetry in your drawing.
8. Did you use any congruent shapes? Did you use any similar shapes? What function did they serve?
9. Did you use any figures with more than six sides? Why or why not?
10. What did you learn from this lesson that you did not know before?
