

Pigging Out

NAME _____

The following Venn Diagram shows house-building materials. Choose your favorite of the three house-building materials and put your initials in the region that shows your choice.

Clip and fold the artwork below to form your "house."

Where Should I Build My House?

1. On your map, who built a house closest to the wolf? On your partner's map?
2. On your map, how far would the first little pig have to go if he went to the third little pig's house instead of to the second one's house? On your partner's map?
