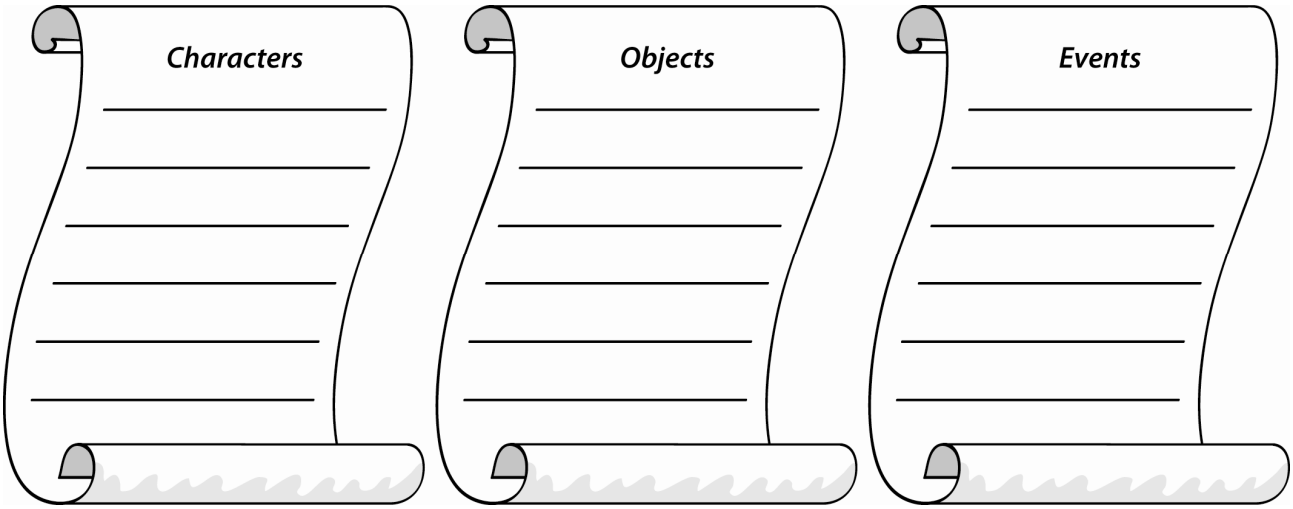
# If the Shoe Fits....

NAME _____

**1.** Sort the items from your group's brainstormed list into the three categories below.



**2.** Organize the information above in any way that you believe clearly indicates the elements that are in only one version (your own memory of the *Cinderella* story), the other version (the Grimm Brothers' version of the *Cinderella* story), or both.

**3.** Explain how the multicultural version you read in class is more like either the Grimm Brothers' version or your own remembrances of the fairy tale.
