

High Temperature

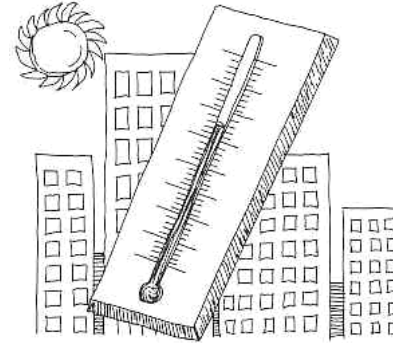

NAME _____

Complete the information below. Use the following rule:

Add 18 degrees to the temperature at 6:00 a.m. to find the high temperature for the day.

1. Fill in the temperatures for the following cities.

CITY	TEMPERATURE AT 6AM	HIGH TEMPERATURE
Miami, FL	78	
Portland, ME	46	
Austin, TX		90
Burlington, VT	37	
Pittsburgh, PA	61	
Anchorage, AK		39
Seattle, WA	44	
Edmonton, AB		73
Phoenix, AZ		102

2. On the grid below, plot the 6:00AM temperatures in blue dots. Plot the high temperatures in red dots.

3. Describe any pattern(s) you see.
