

## A Guide for Navigating the [illuminations.nctm.org](http://illuminations.nctm.org) Web Site

**ILLUMINATIONS** provides standards-based resources and materials that illuminate the vision of NCTM for school mathematics and improve the teaching and learning of mathematics for all students. Lessons and activities on the **ILLUMINATIONS** Web site have been developed in alignment with NCTM's *Principles and Standards for School Mathematics* and the *Common Core State Standards of Mathematics*.

Help us help you. Ask a question.  
Offer **feedback**. Contribute a resource.

Join **NCTM** to become part of a dynamic group of math education professionals.

Browse our **resources**: lesson plans, Web interactives, and mobile apps.

Stay up to date with **featured resources and new releases**.

Visit [calculationnation.nctm.org](http://calculationnation.nctm.org) to play games and learn math. Learning is fun. Get addicted.

Subscribe to **Bright Ideas** e-newsletter.

Link to the **National Council of Teachers of Mathematics** Web site.

The screenshot shows the homepage of the ILLUMINATIONS website. At the top, there is a navigation bar with the ILLUMINATIONS logo and the text 'Resources for Teaching Math'. Below this, there are tabs for 'Lessons' and 'Interactives', with a sub-menu for 'All Interactives | Mobile Apps | Calculation Nation'. The main content area features a 'New Lesson Plan!' section with a dinosaur illustration and a 'Featured Game' section. There are also sections for 'Play Games', 'Brain Teasers', and 'Success Stories'. A search bar is located on the right side, and a 'Bright Ideas Sign-up' section is at the bottom. The footer includes the NCTM logo and social media links for Facebook, Twitter, YouTube, and Pinterest.

Access the **Verizon Thinkfinity** Web site.

**Search** for lessons and interactives by keyword, resource type, grade band, and standard.

Read how others are using **ILLUMINATIONS** resources. Want to be featured? **Share your story**.

View and download **puzzles**.

Interact with **ILLUMINATIONS** via **social media** platforms.

**Mission Statement:** The **National Council of Teachers of Mathematics** is the public voice of mathematics education, supporting teachers to ensure equitable mathematics learning of the highest quality for all students through vision, leadership, professional development, and research.
