

Circus Manager

NAME _____

1. Congratulations! You are the new manager for the Crazy Circus. Your first job is to inform each act the amount of time that they will perform. To do this you need to look at the schedule and calculate the elapsed time, or duration, in the table below. Use the timeline below the table to help you complete the task.

ACTIVITY	START TIME	FINISH TIME	DURATION
Ringmaster Introduction	3:00 p.m.	3:15 p.m.	
Acrobatics	3:15 p.m.	3:25 p.m.	
Juggling	3:25 p.m.	3:35 p.m.	
Trapeze	3:35 p.m.	3:55 p.m.	
Intermission	3:55 p.m.	4:10 p.m.	
Clowns on Unicycles	4:10 p.m.	4:20 p.m.	
Contortion	4:20 p.m.	4:35 p.m.	
Tightrope	4:35 p.m.	5:10 p.m.	
Farewell	5:10 p.m.	5:25 p.m.	

2. How much time will the entire circus performance take, not including intermission?
